Why choose Yane?

I have **over 13 years experience** in wedding photography and am an **accredited member of the AIPP**. I won the 2016 and 2017 WA AIPP Commercial Photographer of the Year award.

Being recently married, I have a good appreciation and insight into what a wedding day entails and your expectations. Wedding photos shouldn't be daunting or stressful and should be free from awkward poses.

I work unobtrusively in the background, **capturing your precious moments to create photographs that are natural and modern.**

I'm lucky enough to have my own gallery in Broome and my landscape background is part of my wedding style. I offer two wedding photography packages *The One* and *The Pearl*.
